

PROFESSIONAL 2019

BERG offers your company opportunities

BERG Family bikes and go-karts are robust and constructed to a high level of quality. Low investment costs and low maintenance requirements make BERG Products very attractive to the leisure sector. In addition, our products have been rigorously tested for safety and durability.

BERG's eye-catching products offer a unique experience around the world. For companies in the recreational market they are invaluable. Examples of locations where our products can be used are campsites, promenades, shopping centres, theme parks, commercial playgrounds and public parks. In short, BERG offers interesting opportunities for you!

BERG Testimonials: The experience of our partners

“

“BYKY started a rental station in 2005 with a number of BERG Go-karts on the beach. The people were very enthusiastic and demand was high! This encouraged us to set up more rental stations.”

Dubai:
**BYKY Sport & Leisure
Equipment**

”

“

“In recent years, we have achieved approximately 2,000 rental hours in the peak season. The tourists and the people in the neighbourhood love BERG Go-karts!”

Norway:
**Motorikpark &
rental campsite**

”

BERG's service

1. Marketing and promotional materials

Use promotional materials in the right way to further increase your sales. BERG will be pleased to help and has various marketing and promotional materials available for you. These materials include displays, beach flags, key rings, pens and footballs. We also have a go-kart track available. Ask your contact person for the current product range.

2. Media bank

BERG has a media bank with images and videos. This media bank contains all the product information, images and videos that you need to communicate with your target group.

3. Expert support

Our Sales Managers have extensive experience with the market and can give you some handy tips when starting up your own company or when placing BERG Products on the market.

4. Warranty

A warranty period of 1 year for the frame and parts applies to BERG Products for the rental market. The warranty does not cover wear parts.

“

“A rental business will quickly become profitable, mainly because it requires a relatively low investment for a stable income. Moreover, go-karts are suitable for everyone, which means there is a very large target group.”

Malaysia:
Mr Low Hong Jie

”

“

“We have been using BERG Products for a while now and I can say that we have made the right choice. Rough terrain is no problem at all for BERG Go-karts.”

Spain:
Formula Outdoor Karting

”

Campsites

Campsites are ideal places to offer a unique experience with BERG Go-karts without having to make a large investment. It could also generate a nice income for you.

- ✓ Rent out go-karts per day or per week
- ✓ Ideal for riding freely around the campsite or park
- ✓ Low maintenance and lots of fun

You can easily offer a unique experience on promenades or in other public places with BERG Go-karts. These products can easily be rented out for short periods of 15-60 minutes for some amazing fun.

- ✓ Purchase possible from 1 product
- ✓ High return on investment
- ✓ Quick cash flow

Promenades and parks

Theme parks

You can offer BERG Go-karts as an extra valuable attraction for your park. In short, BERG Go-karts offer many possibilities, generating revenue for you.

- ✓ Extra attraction for your park
- ✓ Ideal for cordoned off areas
- ✓ BERG Products retain their value

Would you like to offer entertainment in a shopping centre? Purchasing BERG Products can be as elaborate or as simple as your space, budget and needs allow.

- ✓ A unique experience for your visitors
- ✓ Purchase possible in combination with the BERG Go-kart track
- ✓ Earn your investment back in just a few weeks

Shopping centres

Investment & return

BERG Products offer your guests - young and old - a fantastic, active and, often, an entirely new experience! In addition, you will realise a quick return on your investment.

Start-up costs

There are various start-up options. Various products are available for every location and every purpose. Starting your own rental station with BERG Products requires a modest investment. The products last for many years and require little maintenance. In short, this is a smart investment.

Rental example:

Below you will find some calculation examples for the rental of BERG Products. The purchase price is not included in these calculations.

Model	Rental price		Expected sales 30 hours x 20 weeks *	Average maintenance costs	Average income**
	60 min.	30 min.		per year	per year
1 BERG Gran Tour	€ 10	€ 6	€ 7.200	€ 50	€ 7.150
1 BERG Safari	€ 7	€ 5	€ 6.000	€ 40	€ 5.960
1 BERG Buddy Pro	€ 5	€ 3	€ 3.600	€ 40	€ 3.560
1 BERG Beach wagon	€ 3	€ 2	€ 2.400	€ 10	€ 2.390

* based on rental price of 30/10 min

1 **Limited investment**

- 5-7 small go-karts
- 6-10 large go-karts
- 2-4 family bikes

Gross investment:
€8,000 – €10,000**

2 **Excellent income**

- Suitable for various business opportunities
- Return on investment: 1 season

Average profit:
€4,000 – €9,000 per year**

3 **Low maintenance costs**

- Fewer wear parts means fewer replacements

Annual investment:
+/- 5% of total investment per year**

4 **Good residual value**

- Go-karts usable for 3-5 years
- Sell the go-karts at a discount after 2-3 seasons for extra profit
- Keep your product range up to date

Extra profit from old go-karts:
25% - 60%**
