BERG CASE-IH

Farm

Especially on the farm you can find the freedom and space to enjoy outdoor adventures. This BERG Case-IH pedal go kart will support you during these adventures. It is an officially licensed product and the design is based on real Case-IH tractors. It is equipped with impressive rugged tyres which have extreme grip on muddy surfaces. The coloring, decals and exhaust pipe make this kart a real Case-IH for the young farmer and Case-IH fan.

*For the young **farmer** and **Case-IH** fan!*

1. BFR & BFR-3 FRAME

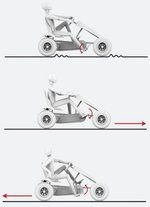
Inspiring Active Play

All BERG Frames, except the E-BF frame, are equipped with an unique BFR-system, incorporating a back pedal brake, together with forward and reverse pedaling. For maximum safety pedaling forward and reverse are automatic with no need for a lever or switch.

The BFR-system incorporates a freewheel. Which means that the pedals do not turn when the kart is moving and you stop pedaling. Resulting in a very safe ride.

Next to the BFR-system most themes are also suitable for a BFR-3 system. On every page in this brochure you can find if a BFR-3 system is also an option for that particular theme.

The BFR-3 system has all the benefits as the BFR hub. The advantage is that this system has 3 gears for optimal speed and comfort. The 2nd gear is equal to the "normal" forward motion of the BFR hub. The 1st is a little tighter and the 3rd a little heavier. With the BFR-3 system the go-kart is suitable for all terrains.



The ultimate quality go-kart!

BERGTOYS.COM

4. ADJUSTABLE SEAT

Inspiring Active Play

Every BERG Frame has an adjustable seat. The seat can be set in 6 (XL Frame) or 8 (XXL Frame) different positions resulting in many years of driving pleasure!

BERGTOYS.COM

5. SWING AXLE

Inspiring Active Play

BERG Go-karts are designed to be suitable for all terrains. Smooth, bumpy, hard or soft ground. It's no problem for this ride-on!

Thanks to the swing axle all 4 wheels will stay in contact with the ground and this gives you optimal grip and control.

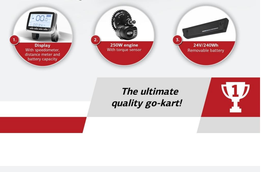
2. E-BF FRAME

Inspiring Active Play

Do you want carefree fun driving with pedal support? If so, we have an innovative BERG E-go-kart for you. You can drive around in it for hours without a care in the world. The harder you pedal, the more support you will get from the motor.

The E-BF system is equipped with a 250W E-Motor that provides pedal support. The BERG E-go-kart has 4 levels of pedal support: ECO, TOUR, SPORT and TURBO. You can enjoy at least 2 hours of carefree driving with the battery on this go-kart. The BERG E-go-kart can reach speeds of up to 16 km per hour. This model is suitable for children from the age of 6. Supported by a torque sensor. Your pedal action is multiplied.

Most theme-packages are suitable for the E-BF system. On every page in this brochure you can find if an E-BF system is also an option for that particular theme.



The ultimate quality go-kart!
