From now on you can transport anything with your tough trailer from BERG.
The BERG Large Trailer has a rigid plastic bucket a sturdy steel frame and a railing for extra hours of fun.

The back lid is removable so you can, in combination with the tipping function, easily empty the bucket.

Due to the large air tires you can use it behind all the large BERG go-karts and on every terrain.

USP's

- Air tires
- Sturdy steel frame
- Tipping function
- Steel railing
- Automatic locking function
- Fits all the large BERG go-karts
