WHY A BUDDY?

Great performance, great adventures

You will have the best adventures with your BERG Buddy. This cool go-kart is stable and safe. You will remain firmly on the ground even when going round the sharpest corners.

Discover the world with this cool go-kart! You won't need to worry about a thing during your adventures, because the BERG Buddy meets all safety requirements. The BFR-system enables you to go tearing around easily. The BERG Buddy will grow with you so you will have fun for a long time to come.

The BERG Buddy includes the following features that make it much safer and offer more fun.

- Robust frame
- Unique BFR-system (forwards, freewheel, brake, reverse)
- Stable thanks to 4 wheels + swing axle
- Comfortable pneumatic tyres
- Adjustable seat and steering wheel
- Suitable for children aged 3 to 8
- Ball bearings
- CE approved

1. ROBUST FRAME

The BERG Buddy will give you years of outdoor fun. This go-kart has a robust metal frame that can take a beating.

Also, the adjustable seat and steering wheel allow you to get into the ideal position in the BERG Buddy.

*Experience years of
carefree fun!*

2. BFR-SYSTEM

The BERG Buddy is equipped with the unique, patented BFR-system. BFR stands for: Break, Freewheel and Reverse. The BFR-system allows you to brake using the pedals, but also reverse immediately after coming to a standstill.

This makes the BERG Buddy super simple and easy to ride. In addition, safety and maximum fun are perfectly combined due to the BFR-system.

Experience years of
carefree fun!

3. STABLE THANKS TO 4 WHEELS

Thanks to its four wheels, the BERG Buddy has excellent stability. They allow you to take corners quickly, sharply and safely.

The BERG Buddy also has a swing axle. This creates a swinging motion of the front wheels as a result of which bumps in the road are absorbed. Consequently, the BERG Buddy remains firmly on the ground. A safe solution!

*Experience years of
carefree fun!*

4. PNEUMATIC TYRES

The BERG Buddy has pneumatic tyres. These tyres have less rolling resistance and make pedalling much lighter. This makes the ride extra smooth and fast.

These tyres give you an extra comfortable ride on the BERG Buddy.
