## BERG BIKY

The BERG Biky is a balance bike for children aged 2 to 5. The BERG Biky has a striking, sturdy appearance thanks to its distinct design and double bicycle fork. Made of lightweight magnesium, the bike features a steering angle limiter, adjustable saddle and comfortable pneumatic tyres.

- High-tech, lightweight frame combined with a modern sporty design.
- Tough off-road look thanks to double bicycle fork.
- Learning to balance and steer is easy thanks to in-built steering angle limiter.
- Lightweight and easy to transport.
- Built-in footrests with non-slip surface.
- Adjustable saddle.
- Pneumatic or EVA+ tyres.
- Choose from four varieties: mini/city/cross/retro.
- Suitable for children aged 2 to 5 years.
- Numerous handy accessories such as a safety flag, helmet, kickstand and carry strap.

## THE POWER OF LIGHTWEIGHT

By using the latest production techniques and lightweight magnesium, BERG has been able to develop an exceptionally sturdy frame with a very low weight. This makes the bike both easy to handle and great to ride.

A further advantage of the Biky being lightweight is that it's easy to take with you on public transport or in your car. A handy shoulder strap is also available as an accessory for the BERG Biky. This means you can easily take the bike with you on a walk through the park or the city

## THE IMPORTANCE OF GOOD ERGONOMICS

With its low instep and the height-adjustable saddle, the Biky is easy to mount and suitable for children between 85 cm and 120 cm tall.

The saddle clamp is integrated into the frame and can be easily operated with the Allen key included. This makes height adjustment easy and stepless.

With the 10" Biky — the Biky Mini — the saddle height starts at 29.5 cm. With 12" Bikys (City, Cross and Retro), the saddle height starts at 32 cm.

## CONTROLLED STEERING

A balance bike is the best preparation for independent cycling. Balancing on two wheels while learning to steer at the same time is quite a challenge at a young age. To prevent the handlebars from suddenly oversteering, we have equipped the BERG Biky with a steering angle limiter which can be adjusted to a position for beginners or for advanced riders.

# BERG BIKY MINI

*Great for the city made for adventure*

Is the Biky City still a little too big for you and you want to hit the road? Then how about the same model with 10" rims, the Biky Mini? It's slightly easier to mount. You can get started on this from the age of 2, and if you get fed up, Mum or Dad can easily carry the Biky. That's how light it is

The BERG Biky Mini is available in red and green

Product weight: 3.6 kg  
Weight + box: 5.2 kg  
Box size (cm): 66x14x47

# BERG BIKY CITY

*Great for the city made for adventure*

The Biky City has all you would expect from a balance bike. And loads of extras too. Standard, robust 12" rims with tyres. The magnesium frame is super-strong and keeps the bike conveniently light. The Biky also has a wonderful adjustable saddle. You could ride to the end of the world (and back)!

The BERG Biky City is available in red and green

Product weight: 4.8 kg  
Weight + box: 6.0 kg  
Box size (cm): 66x14x47

# BERG BIKY CROSS

*Great for the city made for adventure*

Prefer going off the beaten track? Want to ride through the grass and mud? Then the Biky Cross is ideal. With lightweight aluminium rims and a gold-anodised bicycle fork, you'll really make a splash. The special saddle provides a really sporty seat. Go off road!

The BERG Biky Cross is available in green, red and grey

# BERG BIKY RETRO

*Great for the city made for adventure*

Prefer something a bit more classic? Want to ride in style? Opt for the Biky Retro. Just like the Biky City, this is a lovely balance bike and its alloy bicycle fork makes it a real eye-catcher. The handy detachable retro backpack means you can easily take your teddy, doll or a picnic with you wherever you like.

- Adjustable saddle height  
Min=32 cm
- Robust and extra light frame
- Retro design pattern
- In-built footrests with non-slip surface
- Comfortable handle pads
- Ages 2.5 and above
- Equipped with detachable backpack
- Aluminium double bicycle fork for a cool and sporty look.
- 12" Retro pneumatic tyres

The BERG Biky Retro is available in green and pink

Product weight: 4.3 kg  
Weight + box: 5.6 kg  
Box size (cm): 66x14x47
