BERG Beach Wagon L

The BERG Beach Wagon is a solid and durable product which guarantees you years of fun. The Beach Wagon is designed in such a way that you can transport your children en goods easily, safely and in a comfortable way. Thanks to the ball bearings, the beach Wagon drives smoothly.

You can remove all the wooden panels very easily by hand. That results into a lower product which fits into most cars.

The Beach Wagon will be delivered into two packages:

- Frame package, which contains the tires and frame parts
- Wood package, which contains the five wooden panels.

Age: Children (under 12) may only use the beach wagon under adult supervision

Max user weight: 100kg

- Inner dimensions: 85 x 48 x 30 cm
- Durable metal frame
- High quality birch ply wooden panels
- Possible to open the front and back panel by hand
- Easy to transport since you need no tools for disassembling the wooden panels.
- Smoothly spinning wheels thanks to ball bearings.
- Extendable with a western cover
- CE tested.
